Accordingly, I agree not to disclose any confidential information acquired during my volunteer service with ITAVOCF to any third party either during my service with ITAVOCF or after my service with ITAVOCF has ended. Confidential information could include but is not limited to: names, addresses, phone numbers, services received, donation levels, etc. This is in recognition of client anonymity when using ITAVOCF services and also demonstrates respect for those who support this agency.

If I have breached the terms outlined in this document, I will be invited to resign/terminate my volunteer work with ITAVOCF.
